Cancellation

If you need to cancel your booking due to unforeseen circumstances, please do so in writing.

Refunds for cancellations are on the following basis:

- Cancellation received more than 90 days before tour commencement - 50% refund of deposit
- Cancellation received between 60-90 days before tour commencement - 75% refund of tour cost
- Cancellation received between 30-60 days before tour commencement – 50% refund of tour cost
- Cancellation received less than 30 days before tour commencement – no refund

If a replacement can be made by MLA or by the cancelling rider before 30 days of the commencement of the tour, MLA has the option at their discretion to refund 100% of the tour cost less 20% retained for administrative costs incurred.

If you are delayed or think you might be late, contact details will be available and everything possible will be done to make alternative arrangements in order to meet further down the road. Extra costs may be incurred.

No refunds given if a person/s leave a tour on-route.

Supplementary tours and additional nights' accommodation (e.g. Day tour of Agra and Taj Mahal) are at additional cost and payable in full on booking. There will be NO REFUNDS on supplementary tours prepaid as MLA is unable to recover these payments from international providers.

Our tours are planned several months in advance to avoid adverse climate conditions. However, changes will be made (on-route) if unfavourable weather hampers our progress.

However, while on tour, should any unforeseeable situations arise beyond our control, e.g. landslides, snow pack, earthquake or glacier movement, as safety is important, we will make changes on-route and detour to continue with the adventure.

On receipt of the booking deposit, an invoice will be emailed along with tour details, including information required for visa application. From your booking, it will be deemed you accept the Terms & Conditions set out in this document.

Tour cost and equipment.

MLA reserves the right to amend the tour costs and equipment provided these amendments are in the interests of participants or where the supplier has reasonable grounds to 'passing through' to MLA costs in providing this tour.

Note: deposits are calculated using an estimated exchange rate. The final balance will be based on the actual exchange rate at the time of payment with adjustment for exchange rate between actual and estimated at the time the deposit was paid.

Your Responsibility

You participate with Mid Life Adventures and the tour provider knowingly as a competent rider and do so entirely at your own risk understanding that motorcycle touring involves a certain amount of risk and we further ask you to please show respect and courtesy to your fellow riders. You also need to complete an MLA waiver form for the expedition and return it to MLA 90 days prior to the departure date.

Our Responsibility

At our discretion, any rider seen taking unnecessary risks on-route will have their journey terminated, thereafter travelling in one of the support-vehicles for remainder of the tour. No reimbursement given. Safety is our primary concern.

Mid Life Adventures note that it is the facilitator of the tour and carries absolutely no responsibility whilst on this tour. You will be required to sign an Indemnity waiving Mid Life Adventures of any responsibility once the tour commences. It is a condition of joining any tour with MLA or its tour suppliers that you have your own personal and travel insurance covering you for the duration of the tour.
